Training on bamboo shoot processing for inmates of Jorhat jail

STAFF CORRESPONDENT

JORHAT, Dec 29: The Rain Forest Research Institute (RFRl) at Sotai here conducted a three-day 'Skill Development Training on Bamboo Shoot Processing and Value Addition' at Central Jail, Jorhat, in association with the jail authorities from December 26 to 28.

An RFRI official informed that the training programme, which was attended by 30 convicts serving various sentences, was inaugurated by Jorhat District Legal Services Authority (DLSA), Jorhat, Secretary cum Judicial Officer Devoiyoti Bhuyan.

The official stated that the objective of organising the training programme was to provide skill training to prisoners so that they could eke out a living after completion of their prison sentences.

An entrepreneur from Guwahati, Pranjali Kumar Goswami, imparted hands-on training, while RK Kalita, Head, Extension Division, RFRI, and course director of the training programme, gave a presentation on bamboo and its utilisation for cre-

Convicts of Central Jail, Jorhat undergoing skill training during the three-day programme.

ating awareness among the participants, the official mentioned. .

The training sessions included preparation of eight value-added products of bamboo shoot. Earlier during the inaugural ceremony, Jailer of Central Jail, Jorhat Abani Muktiar delivered the welcome address.

The valedictory session was attended by Dr Prasanna Kumar Pathak, Director

of Extension, Assam Agricultural University, Jorhat as the chief guest and Bhupen Chandra Das, DIG, Prison as the guest of honour.

Dr Pathak, in his address, appealed to the participants to make use of the skill gained during the training sessions and use it as a means of livelihood after completing their prison terms and live a graceful life in society, the official said.
