**Boosting Livelihoods: 3-Day Bamboo Shoot Processing & Value Addition Training Begins at ICFRE-RFRI, Jorhat**

ICFRE-Rain Forest Research Institute, Jorhat (Assam) has started a three-day Skill Development Training programme of Bamboo Shoot Processing and Value Addition, sponsored by National Bamboo Mission, Government of India on 12 March, 2026 at its premises. Twenty participants from various places attended the training programme. The training is being conducted under the guidance of Raziya Rahman, Razi's Food Processing Unit, Borpool, Gohain Tekela Gaon, Jorhat (Assam). In a brief inaugural session, R. K. Kalita, Group Coordinator (Research) and Course Director of the Training welcomed all the participants. He sensitized the participants on bamboo-based entrepreneur opportunities for better livelihood security through an interactive session. Ms. Rahman also spoke on the occasion. The Inaugural session was attended by Dr. Satyam Bordoloi, Head, Genetics & Tree Improvement Division; Sri D. K. Meena, Head, Forest Ecology & Climate Change Division; Sri Kumud Borah, Senior Technical Office among others. During the training programme, different hands-on sessions will be conducted to make different types of bamboo shoot pickles and its value addition. Other theoretical aspects such as project formulation, maintaining hygiene, fssai registration process etc. will also be taught.
